## PLACID HOTEL DESIGN & LIFESTYLE ZURICH

A place for cosmopolitans, for business travellers, for connoisseurs. Node for countless threads, which converge here and separate again. Urban lifestyle, modern design, real encounters. Deeply rooted in the district of Altstetten - and yet open to the world.

Based on the urban architecture of the surrounding area, built as from a single cast. Fair-face concrete, oak, clay plaster and glass are a sign of a unique, timeless design.

40 meters high above, two rooftop patios. From these, the view goes far over Altstetten and the sights of Zurich. The hotel rooms, located in the top three floors, offer a real sense of perspective.

Whether in the Lobby, the Living Room or the Garden Restaurant, you can meet people with different goals and motives everywhere. Hotel guests, business people, local residents. An urban intermixing - our vision of modern coexistence.

From Seminar to Banquet: our rooms are suitable for every occasion.

On the first floor you will find two 40 sqm seminar rooms which are ideal for smaller groups. The three larger conference rooms on the ground floor can be connected together to a 175 sqm room if required. Multifunctional for seminars, banquets or concerts.

All rooms have free Wi-Fi and state-of-the-art technology. This makes the Placid Hotel an ideal Event and Seminar Hotel in Zurich.
